GOLD DONATION

Dear Sirs,

I understand that the School requires donations or contributions for the School Development Project.

I also understand that I can become a Gold Donor if I pay \$100,000 to the School by 10 annual payments of HK\$10,000 each.

I wish to be a Gold Donor and my first such annual donation of HK\$10,000 is enclosed, made payable to "Wah Yan College, Hong Kong".

I shall be most grateful if reminders are sent to me, lest I forget, in respect of the other 9 annual donations.

I have no objection to:-

- (a) My name being shown as a Gold Donor in publications on papers or something more permanent; and
- (b) My name being shown as a Large Gold Donor in publication in papers or something more permanent as soon as I have paid up the said \$100,000 at any time within the said 10 years; and
- (c) My name being withdrawn from such publications if I shall fail to make 2 consecutive annual donations.

Finally, I wish to say that this is simply a voluntary gesture on my part and that I am not legally bound to make the other 9 annual donations.

Yours faithfully,
