

Overseas Study Workshop
Jointly organized by PTA, PSA and supported by WYCHK

Studying abroad is a growing trend in Hong Kong particularly for the senior forms students. If selected appropriately, it provides better opportunities to learn and grow in a liberal setting. However, there are also failed cases due to adaption to new environment, language medium and matching of school and subjects. If you are interested to study abroad, here is a good opportunity to understand what are the different study options abroad, their characteristics, with focus in USA and UK.
