Wah Yan (H.K.) Past Students Association Ltd.

Wah Yan 2012 Fundraising Concert
Wednesday, February 8th, 2012, 8pm
Jockey Club Auditorium, The Hong Kong Polytechnic University

Dear fellow Wahyanites,

I would like to take this opportunity to appeal to you in supporting our upcoming fundraising exercise.

Over the years, the Past Students Association has been supporting many student activities such as the Student Association and its clubs. In recent years, we've sponsored other school organizations such as Red Cross; school teams such as debating team; and other school schemes such as JASERs, Club of Graduates and Annual Concert.

A few years ago at the school's request, the Past Students Association also set up a MPF fund to support contract and minor staff such as janitors. To show our respect and care to them, we want to provide a little more buffer for their retirement than that required by the law. This group of staff is often overlooked, but their dedication to our students is no less than our teaching staff. Without them, our students will not be able to run many memorable after-school events which are part of their non-academic education at Wah Yan.

The money raised from this exercise will go towards the General Fund which supports student activities, the MPF Fund and the Music Fund. I would like to emphasize every dollar raised from this exercise will go directly to Wah Yan College Hong Kong. As past students, we are just proud to assist our alma mater when needed and not looking for any repayment.

In order to show our appreciation of your donation, we would like to invite you to our Fundraising Concert mentioned above. I hope you will come and enjoy a night of musical magic by our students and old boys, at the same time helping the sustainability of our students' and school's betterment.

Happy New Year & thank you for your support.

Gary Philip CHING ('86)
Fundraising Concert Chairman
& WY(HK)PSA Vice-President
