

PSA Mentorship Program donned its first group event on June 11, 2007 – a social dinner with the theme "Etiquette and interpersonal skills for workplace survival". Organized by Group 1 members, the event was well supported by about 45 participants, including roughly 30 mentees, 8 mentors and 7 representatives from PSA Council.

Through life experience sharing, mentees showed their eagerness to learn from their mentors and senior Wahyanites by raising sharp and thoughtful questions. Not surprisingly, mentors and PSA Council members in attendance provided inspiring feedbacks and advices of life to their brothers.

While everyone enjoyed the Q2 event, participants requested and anticipated a little more action in the upcoming Q3 activity. Group 2, which is responsible for organizing the activity, has thus decided to get our mentors and mentees involved in Walkathon 2007.

Organized by Wah Yan One Family Foundation, Walkathon 2007 targets at raising Three-Million Dollars for the foundation. We encourage you to support our Wah Yan One Family by joining us in the event, either as a volunteer or a Walkathon participant.
